

3724 000000 US
BER, et al.
JUN 28 1999
PATENT & TRADEMARK OFFICE 61010
CLASS

* References fails to comply with 37CFR. 1.98(a)(3). Since all references are not in English and all references are relevant to applicant's invention, the Examiner requires a concise explanation of the relevance to provide the Examiner with information within the text of the references which may meet applicant's claimed invention.
